

Course 7 Task 1 – Regional and national funding options

With the help of table below, list which Regional Government and National level funding options are available in your country for transport projects and SUMP development. This helps you to identify potential funding sources to implement SUMPs and prepare financial plan.

FINANCING SOURCE	NAME	WHAT IS FUNDED/FINANCED	CO-FINANCING RATE	CONTACTS AND FURTHER INFORMATION
Example: National	Green Fund	- Implementation of large-scale projects - Capacity building	Up to 100%	www.
